Such notice to councilmembers shall not be required if the mayor and all councilmembers are present when the special meeting is called. Such notice of any special meeting may be waived by a councilmember in writing before or after such a meeting and attendance at the meeting shall also constitute a waiver of notice on any business transacted in such councilmember's presence. Only the business stated in the call may be transacted at the special meeting.

An emergency ordinance shall be introduced in the form prescribed for ordinances generally, except that it shall be plainly designated as an emergency ordinance and shall contain, after the enacting clause, a declaration stating that an emergency exists and describing the emergency in clear and specific terms. An emergency ordinance may be adopted, with or without amendment, or rejected at the meeting at which it is introduced, but the affirmative vote of at least three councilmembers shall be required for adoption. It shall become effective upon adoption or at such later time as it may specify. Every emergency ordinance shall automatically stand repealed 30 days following the date upon which it was adopted, but this shall not prevent reenactment of the ordinance in the manner specified in this section if the emergency still exists. An emergency ordinance may also be repealed by adoption of a repealing ordinance in the same manner specified in this section for adoption of emergency ordinances.

(b) Such meetings shall be open to the public to the extent required by law and notice to the public of emergency meetings shall be made as fully as is reasonably possible in accordance with Code Section 50-14-1 of the O.C.G.A. or such other applicable laws as are or may hereafter be enacted.

The general codification shall be adopted by the city council by ordinance and shall be published promptly, together with all amendments thereto and such codes of technical regulations and other rules and regulations as the city council may specify. This compilation shall be known and cited officially as "The Code of the City of Poulan, Georgia." Copies of the code shall be furnished to all officers, departments, and agencies of the city and made available for purchase by the public at a reasonable price as fixed by the city council.

(c) The city council shall cause each ordinance and each amendment to this charter to be printed promptly following its adoption, and the printed ordinances and charter amendments shall be made available for purchase by the public at reasonable prices to be fixed by the city council. Following publication of the first code under this charter and at all times thereafter, the ordinances and charter amendments shall be printed in substantially the same style as the code currently in effect and shall be suitable in form for incorporation therein. The city council shall make such further arrangements as deemed desirable with reproduction and distribution of any current changes in or additions to codes of technical regulations and other rules and regulations included in the code.
